

Date: 27 July 2026

To,
Miss. Nagalambika Koralli

Subject: Appointment as Intern

Dear Nagalambika,

We are pleased to offer you an Internship opportunity with **Mastertej** with an immediate start date.

During your internship, you will be exposed to a wide range of responsibilities, including, but not limited to:

- Design
- Website Development
- Project Management
- Administrative Support
- Research & Documentation
- AI-assisted Workflows and Automation
- Any other business functions relevant to ongoing projects

Internship Structure

Mastertej follows an **AI-First approach**, where problem-solving ability, communication skills, ownership, and effective use of AI tools are valued more than expertise in any specific technology stack.

You will be expected to:

- Learn independently and proactively.
- Use AI tools extensively to complete day-to-day tasks.
- Take ownership of assigned responsibilities.
- Communicate clearly and professionally.
- Contribute to projects across different domains as required.

Compensation

Fixed Stipend: ₹1000 per month

The **variable component** is linked to independent ownership and management of client accounts. During the initial learning and training period, you may work alongside other team members on shared responsibilities. As you demonstrate capability and are assigned complete ownership of client accounts, **you may become eligible for the applicable variable compensation.**

Work Arrangement

- Work Mode: Remote
- Working Hours: Flexible, based on assigned responsibilities and project requirements.
- Reporting To: Tejas Gandhi / Assigned Team Lead

Confidentiality

During your association with Mastertej, you may have access to confidential business information, client data, internal processes, and intellectual property. You are expected to maintain strict confidentiality during and after your internship.

Termination

Either party may discontinue the internship by providing reasonable notice. Mastertej reserves the right to terminate the internship immediately in cases of misconduct, breach of confidentiality, misrepresentation, or non-performance.

Growth Opportunity

This internship is designed to provide practical exposure to real-world projects and AI-powered work environments. Outstanding performance may lead to increased responsibilities, client ownership opportunities, and consideration for long-term engagement with the company.

We are excited to have you join us and look forward to working together.

Thanks and regards,

Tejas Gandhi
Mastertej

Acceptance

I, Nagalambika Koralli, accept the terms of this internship and agree to abide by the policies and expectations outlined above.
