Issue Date : 20/09/2026

Intern ID : INT2026-03408

Dear Nagalambika koralli,

We are pleased to offer you an internship position at **Zaalima Development Pvt.Ltd** as a **Web Development Intern**. After careful consideration of your application and interview, we believe that your skills and enthusiasm align well with our internship program.

Internship Details:

- Position : Web Development Intern
- Duration : 2 Months
- Location : Fully remote
- Stipend : Performance-based stipend of up to **₹6,000 per month**, subject to your contribution and achievement of predefined goals

Your internship will provide you with valuable industry exposure, hands-on experience, and an opportunity to contribute to our projects. The stipend will be performance-based, and evaluations will be conducted periodically based on your work quality, adherence to deadlines, and overall contribution.

Key Responsibilities:

- Develop front-end applications using HTML, CSS, JavaScript, and modern frameworks like Angular or React.
- Build robust back-end services and APIs using Java, Spring Boot, and RESTful principles.
- Design and manage relational databases like MySQL or PostgreSQL, ensuring data consistency and security.
- Integrate front-end and back-end components for seamless, full-stack web application functionality.
- Write unit and integration tests to validate application logic and prevent bugs.
- Use version control tools like Git for collaboration, code tracking, and deployment readiness.
- Optimize application performance, scalability, and security across the full technology stack.
- Troubleshoot issues, debug code, and resolve bugs quickly in production and development environments.
